MOONSTONE SUBDIVISION

RESTRICTIVE COVENANTS

The restrictive covenants hereinafter set forth are to apply to MOONSTONE Subdivision, according to the plat filed 5/14/82 as Instrument no. 3271. The purpose of these covenants is to establish minimum standards for each individual property owner and/or builder, in order to insure and perpetuate to the owners of the property, both severally and collectively, the beauty and integrity of MOONSTONE Subdivision.

1. Land Use and Building Type. No lot shall be used except for residential purposes. No building shall be erected, altered, placed, or permitted to remain on any lot other than one dwelling, not to exceed two and one-half stories and not to provide for more than two (2) single family units. Accessory buildings, such as a garage, or other building customarily adjunctory to a place of residence, and in conformance with applicable zoning, shall be of a permanent nature and of harmonious design and appearance with each other and with the dwelling house.

2. Dwelling Cost, Quality and Size. No dwelling shall be permitted on any lot at a cost of less than \$50,000 based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenants to assure that all dwellings shall conform to the Minimum Property Standards of the Federal Housing Administration. The ground floor area of the main structure, exclusive of one story open porches and garages, shall not be less than 900 square feet for a one story dwelling, nor less than 750 square feet for a dwelling of more than one story. The exterior of said dwelling shall be completed within two (2) years after the beginning of construction, and finished with an acceptable, recognized, permanent finish material. Accessory buildings shall also be finished in the same manner as the exterior within two (2) years after the beginning of construction.

3. Building Locations. No building or portion thereof, including wells, septic tanks, seepage pits or leaching fields, shall be constructed or placed within thirty (30) feet of any lot line.

4. Noxious or Offensive Activity. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. The use of land for the storage of vehicles, machinery, surplus equipment, scrap or any other item not directly connected with the use of the land for strictly residential or neighborhood shopping purposes is specifically declared to be a nuisance within the meaning and intent thereof.

5. Temporary Structures. No structure of a temporary character such as a trailer, mobile or modular unit, tent, barn, shack, garage, or other out building shall be used on any lot at any time as a residence either temporarily or permanently.

6. Signs. No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than six square feet advertising the property for sale or rent, or signs used by a builder or developer to advertise the property during the construction period.

7. Dumping or Storage. No lot, nor any part thereof, shall be used as a dumping or storage ground for refuse or rubbish of any kind whatsoever. Trash, garbage and other waste shall be kept in sanitary containers. All containers and other equipment for the storage or disposal of such materials shall be in compliance with Fairbanks North Star Borough sanitary codes and regulations.

8. Water Supply and Sewage Disposal. No individual water supply system or sewage disposal system shall be permitted on any lot unless such system is located, constructed and equipped in accordance with the requirements, standards and recommendations of the Alaska Department of Environmental Conservation. Approval of such system as installed shall be obtained from such authority.

9. Fuel Storage. All tanks used for the storage of fuel oil for domestic heating purposes shall be buried.

10. Terms of Covenants. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded. These covenants can be changed during the 25 year period only by the recording of an instrument signed by at least two-thirds (2/3) of the then owners, agreeing to change said covenants in whole or in part.

11. Enforcement of Covenants. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate a covenant either to restrain violation or recover damages.

12. Severability. Invalidation of any one of these covenants by judgement or court order shall in no way affect any of the other provisions, which remain in full force and effect.

IN WITNESS WHEREOF, the owners have hereunto set their hands and seals on the 14th day of April, 1982, City of Fairbanks, Alaska.
