The screenshot displays the MAS 200 Business Desktop interface. At the top, the title bar reads "MAS 200 Business Desktop". Below it is a menu bar with "File", "Modules", and "My Tasks". A toolbar with various icons is visible. On the left, a "Modules" tree shows "MAS 200" expanded with sub-items: "Welcome", "How Do I?", "Web Resources", and "Modules". The main window is titled "Customer Inquiry" and contains fields for "Customer ID" (08-0803063), "Name" (KATHRYN J. ALBERT), "Location" (0100), and "Tank Code" (0001). Below these fields are tabs for "Main", "Additional", "History", "Invoice", "Sales Order", and "Pricing". A "Drop History" window is open in the foreground, displaying a table with the following data:

Delivery Date	Gallons	Element	Rate	Drop	Stock	Stock Gallons
